About RISI

RISI is highly committed to upholding industry best practices and staying updated with the latest trends and advancements in the healthcare quality domain

Training is the vital essence for your CPHQ preparation. RISI is an ATO (Authorized Training Organisation) by NAHQ indicates that we meet their standards and guidelines for delivering high-quality education and training in the field of healthcare quality.

What is CPHQ?

CPHQ stands for Certified Professional in Healthcare Quality, and it is indeed offered by the National Association for Healthcare Quality (NAHQ) in the United States.

The National association for Healthcare Quality is a professional organization that supports and promotes healthcare quality professionals and provides resources for advancing the quality of healthcare services. The CPHQ certification by NAHQ is highly respected in the industry and signifies a professional's expertise in healthcare quality management.

The certification signifies a commitment to excellence and ongoing professional development in the field of healthcare quality

Feedback

**MOHD AZHAR UD
DIN BHAT**
RN, MSN, PGDHA, CPHQ

The coaching I received has significantly improved my confidence and performance in Health care quality field. I feel much more prepared thanks to the effective training provided.

The instructor (Dr.Thenna) is expert and explained complex concepts clearly. His teaching methods made the material engaging and easier to understand.

**DR SHAMEENA
MUTHNISA BEEVI**
RN, MSN, PhD

I had an exceptional experience with RISI while preparing for the CPHQ international examination. Their training program is truly top-notch and stands out for several reasons.

The depth and breadth of the training provided by RISI are remarkable. The courses are well-structured and cover all aspects of the CPHQ exam thoroughly and dedication is evident in the quality of the materials and the support provided throughout the course.

The training includes discussions of over 1000 questions, which is an invaluable resource for exam preparation. Also full support from RISI, extends beyond just the training sessions.

Beyond preparing for the CPHQ exam, RISI's training also equips you with valuable knowledge and skills for future practice in a quality career.

Thank So much for TEAM RISI specially for Dr Thenna

REJANI T MATHEW
RPH, MBA, CPHQ

I had an excellent experience with the CPHQ preparatory course at RISI Institute. The RISI team's dedication and supportive nature were truly outstanding. They provided a wide range of practice questions that significantly enhanced my understanding and preparation.

Special mention goes to Dr. Thenna, whose motivational approach and constant support made the learning process really interesting . The course material was comprehensive, and the interactive sessions were invaluable.

If you're preparing for the CPHQ exam, I highly recommend RISI Institute. Their approach combines thorough content coverage with practical application, setting you up for success. Thank you, RISI team, for your commitment to quality education!
